IMPROVEMENTS ARE *On The Way*

Updates in time for Spring!

We've been hard at work over the holidays to get you ready for Spring! Tonight, beginning at 9pm local time, there will be rolling updates and improvements taking place in the following applications:

- **Backoffice:** Includes changes to Production, POs/Vouchers, and more
- **Flow App:** Aesthetic changes
- **Payments API:** Global Payments interaction logging
- **Accounts Receivable**
- **Online Orders**

This means you may experience servers down for a maximum of three hours. For a general overview of improvements being made, please click the link below:
