

TAP Survey accuracy is mission critical.

A weekly email will be sent out to all store, market and regional managers. This email will breakdown which stores have issues with Water, Gates or Garden Center Entrances and Registers. Additionally, you will be able to view the trends for these three elements, along with your notes per answer. Ensure your TAP Survey is accurate!

TAP Mobile release this month.

We've been listening, and we believe the updates that are going live this month will help to improve your day-to-day tasks.

- No more downloading of stores
- No more training your team on complicated steps
- Simply complete your survey and move on
