### **We're in the business of growing.**

First, we'd like to take this opportunity to say thank you to everyone who stopped by our booth at Cultivate23 last week. We had a blast meeting you face-to-face and getting to share with you what we've got in the works at SBI Software.

Coming out of Cultivate23, we've found that we have a better understanding of the needs of some of our clients, but we'd love to extend that to those we didn't have the chance to meet. With that being said, we're asking for your help! Could you please take a brief survey, answering a few questions, to help us better support you.

Thank you for helping us grow! We're excited for what the future holds at SBI.
