Introducing

Bill Pay

The app that will help your customers pay you faster.

Now, introducing the latest release from SBI Software - Bill Pay. This powerful app works to build efficiency, give seamless instruction and clear directions, and ultimately allow for your customers to pay you faster.

You can now view your invoices from SBI in order to start experiencing all Bill Pay has to offer before implementing with your customers; simply head over to Client Tool and select Bill Pay. We'll also be offering **FREE** live training the week of August 21st to answer any questions you may have, so be on the lookout for details coming soon.
